### **Blood Donation Camp at the ICFAI University**

### **06 February 2026 (Friday)**

The ICFAI University, Himachal Pradesh (IUHP), in association with the Internal Quality Assurance Cell (IQAC) and the Red Ribbon Club, and in collaboration with the Rotary Club, Baddi, successfully organized its 3rd Blood Donation Camp in the revered memory of the Founder of The ICFAI Group, Late Shri N. J. Yasaswy Ji, at the IUHP campus.

The camp was formally inaugurated by the Chief Guest Hon'able Vice Chancellor, Prof. Keshav Sharma, IUHP along with the Registrar, Dr. Bharat Bhushan, in the gracious presence of the teams from the Rotary Club, Baddi, and the Red Ribbon Club. On this auspicious occasion, all the Deans and Heads of Departments and faculty members of IUHP were present, lending their wholehearted support to this noble initiative.

The Blood Donation Camp was organized under the able guidance of the Red Ribbon Club, IUHP, with Dr. R. K. Bhardwaj, Convener, and Dr. Disha Arora Mediratta, Co-Convener, playing a pivotal role in the planning and execution of the event. The dedicated efforts of the Red Ribbon Club members, Ms. Yogesh Kumari, Dr. Ashok Kumar, and Dr. Anil Kumar, significantly contributed to the smooth conduct and success of the camp.

Representing the Rotary Club, Baddi, Rotarian Sh. Kartik Sharma, Rotarian Sh. Sanjeev Verma, and Dr. Rolly Aggarwal, along with their medical team, actively participated in the camp and ensured the safe and efficient collection of blood. The Blood Donation In-charge expressed satisfaction over the successful organization of the camp and lauded the enthusiastic participation of students, faculty members, and staff, which played a pivotal role in making the event a grand success. Sincere gratitude was also extended to the university authorities for their unwavering support toward this noble cause.

Addressing the gathering during the inaugural session, Honourable Vice Chancellor Prof. Keshav Sharma emphasized that blood donation is one of the greatest gifts an individual can offer to humanity. He described voluntary blood donors as the true saviors of mankind and highlighted that donating blood is a profound expression of compassion and social responsibility. He further elaborated on the significance of blood donation and its far-reaching impact on society.

Addressing the donors, Registrar Dr. Bharat Bhushan stated that serving society through humanitarian initiatives is a matter of pride for the University. He informed that over 110 units of blood were collected during the camp and reassured donors that blood donation has no adverse health effects, as the donated volume is replenished within 24 hours and regular blood donation supports cardiovascular health. He concluded by appreciating the dedicated efforts of the organizers, faculty members, and students in making the event a resounding success. The University will continue to undertake such selfless and inspiring initiatives for the welfare of society in the future as well.
