

## Pharmacy Students Bags 3<sup>rd</sup> Prize in the International Conference at the Maharaja Agrasen University, HP

🎓 Proud Achievement for FPS – The ICFAI University! ✨

The students of Faculty of Pharmaceutical Sciences (FPS), The ICFAI University, Himachal Pradesh actively participated in the International Conference on Artificial Intelligence in Healthcare at Maharaja Agrasen University, Baddi.

Our students presented their research in the Oral/Poster Presentation Session on:

📌 “Artificial Intelligence in Pharmacy: Bridging Hospital and Community Care”

📌 “Next-Generation Pharmacovigilance: Integrating AI into Drug Safety Frameworks”

🏆 We are delighted to share that one of the presenting teams secured the 3rd Prize for their outstanding research presentation and innovative approach toward integrating Artificial Intelligence in pharmaceutical practice.

This accomplishment reflects:

- ✓ Strong research orientation
- ✓ Innovative thinking in AI-driven healthcare
- ✓ Confidence and professional presentation skills
- ✓ The academic mentorship culture at FPS

👏 Heartiest congratulations to our talented students and their faculty mentors for bringing laurels to the university.

At FPS, we remain committed to nurturing future-ready pharmacy professionals equipped with research excellence and technological competence.
