

Report On Industry Experts Feedback Forms (2024)

Industry experts' feedback is crucial in evaluating the effectiveness of the syllabus in meeting evolving industry standards. Their insights help in bridging the gap between academic learning and professional expectations, ensuring that students are well-prepared for real-world challenges. This report analyzes feedback from industry experts on various aspects of the syllabus.

The feedback form utilized a **five-point Likert scale**, where the industry experts rated their experience as follows:

- 1 - Strongly Disagree
- 2 - Disagree
- 3 - Neutral
- 4 - Agree
- 5 - Strongly Agree

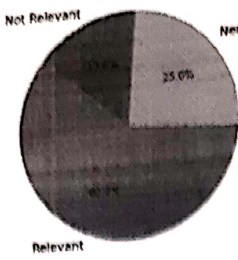

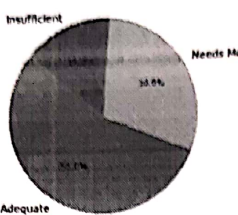

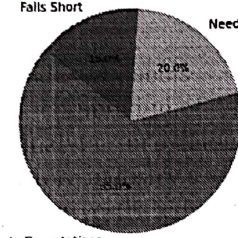

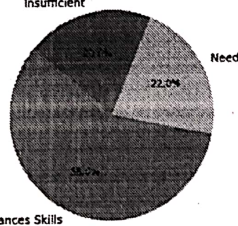

The responses reflect industry experts' perceptions of institutional performance, helping in strategic decision-making and future enhancements.

S.No	Questions	Pie Charts	Observation
